Technology Online

*Kaua e rangiruatia te hāpai o te hoe;
e kore to tātou waka e ū ki uta*

Karakia Timatanga

Kia hora te marino
Kia whakapapa pounamu te moana
Hei huarahi mā tātou
i te rāngi nei
Aroha atu aroha mai
Tātou i a tātou katoa
Hui ē! Tāiki ē!

Opening Karakia

May peace be widespread
May the sea be like greenstone
A pathway for us all this day
Let us show respect for each other
For one another

Bind us all together

Technology Online Open Home

Introductions

Wendy Webb: Resource facilitator

Christina Smith: Content editor

Overview

1. Home Page
2. Technology in the NZC
3. Teacher education
4. Technology in the news
5. Resources
6. Videos
7. Feedback and suggestions

The screenshot shows the Technology Online website interface. At the top, there is a blue header with the Ministry of Education logo on the left and the text "Technology Online" in a large, white, stylized font. Below the header is a navigation menu with tabs for "Home", "Technology in the NZC", "Teacher education", "Technology in the news", and "Resources". A "Videos" tab is also visible. On the right side of the header, there are social media icons for RSS, Twitter, and Facebook. Below the navigation menu, the main content area is divided into several sections. On the left, there is a "Welcome to Technology Online" section with a blue heading and a paragraph of text in Māori and English. To the right of this text is a large image of a school building with a green fence. Below the image is a caption: "Building a shared vision between primary and secondary". On the far right, there is a sidebar with several utility links: "Using the search", "Ask an expert", "Glossary", and "Useful websites". Below the main content area, there is a "Featured resource" section with a blue heading and a link to the "Technology Online newsletter". To the right of this is a "What's new" section with a green heading and three featured articles: "Kawakawa leaf extract", "Year 12 student outcome: Carved wooden headboard", and "Cars are technological outcomes". At the bottom right, there is a "Newsletter signup" section with a form for an email address and "Subscribe" and "Unsubscribe" buttons. The footer of the website is a blue banner with the Ministry of Education logo on the left, the text "Technology Online" in a large, white, stylized font in the center, and the Māori motto "Kaua e rangiruatia te hāpai o te hoe; e kore to tātou waka e ū ki uta" on the right.

Home page

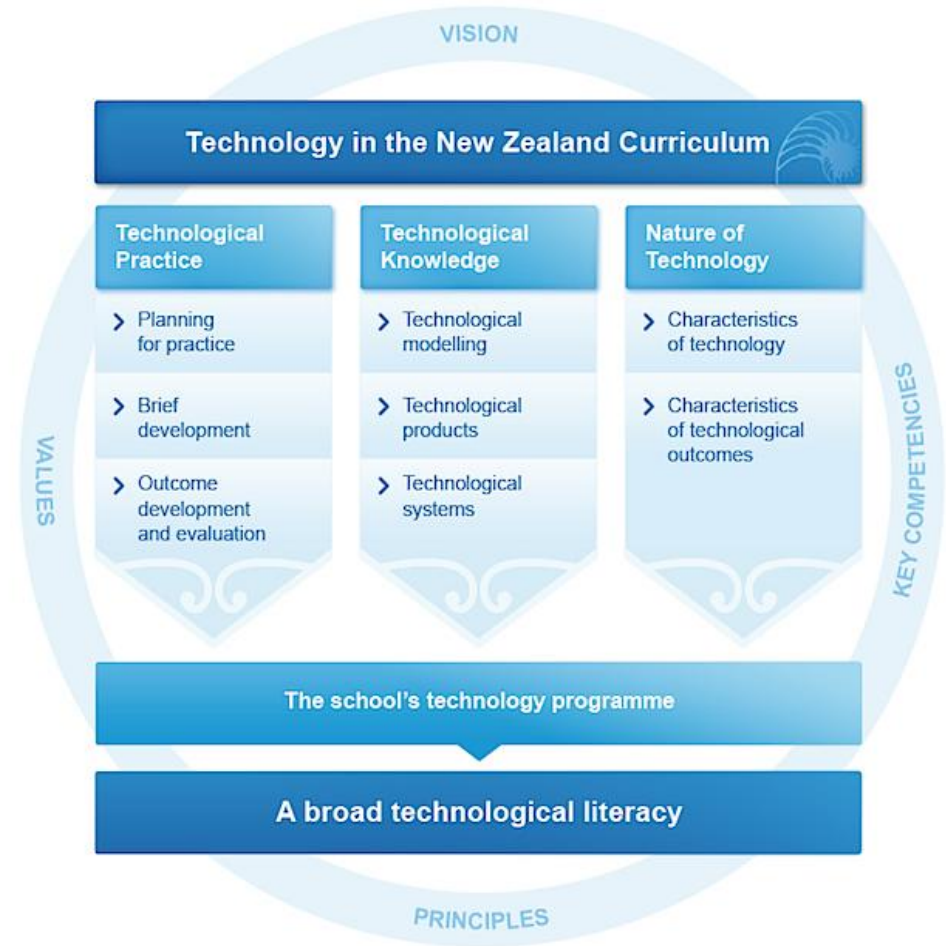

1. Carousel and What's new
2. TOL Newsletters: Archive and subscribe
3. Ask an expert
4. Glossary

The screenshot shows the Technology Online website home page. At the top left is the Ministry of Education logo with the text 'MINISTRY OF EDUCATION' and 'Te Tāhuhu o te Mātauranga'. The main title 'Technology Online' is prominently displayed in a large, white, serif font. To the right of the title is the Māori motto: 'Kaua e rangiruatia te hāpai o te hoe; e kore to tātou waka e ū ki uta'. Below the title is a navigation menu with tabs for 'Home', 'Technology in the NZC', 'Teacher education', 'Technology in the news', and 'Resources'. A 'Videos' tab is also visible. On the right side of the page, there are social media icons for RSS, Twitter, and Facebook. The main content area features a 'Welcome to Technology Online' section with a paragraph in Māori and English, and a featured resource titled 'Building a shared vision between primary and secondary'. Below this is a 'Featured resource' section for the 'Technology Online newsletter'. To the right, there is a 'What's new' section with three featured articles: 'Kawakawa leaf extract', 'Year 12 student outcome: Carved wooden headboard', and 'Cars are technological outcomes'. Further right, there is a 'Senior secondary curriculum guide' section and a 'Newsletter signup' form with a 'Subscribe' button.

Technology in the NZC

1. Technology in the NZC
2. What does learning in technology look like?
3. Planning, programmes, and units of work
4. Safety in Technology Education

Teacher education

1. Newsletters from PLD providers
2. Coordinators and facilitators

Technology in the news

1. Purpose and a few favourites

[Perth Festival 2015: from intimate to epic-and high on puppetry](#)

[Dancing traffic light entertains waiting pedestrians](#)

[Design students turn up the lights](#)

2. Search function with key words

You can filter using keywords. Select a keyword under a news item to find others with the same word.

Resources

1. [Case studies](#), [Teaching snapshots](#), [Student showcases](#)
2. Search function – [Resources](#)
3. Primary examples – [Exploring food packaging](#), [Tracking coverage and learning across a school](#)
Secondary examples – [Kawakawa leaf extract](#), [Year 12 student outcome: Carved wooden headboard](#)
4. Recent sections – [Scholarship](#), [Teaching strategies](#), [Technology in the School Journal and Connected](#)

Videos

1. Video gallery

2. A few favourites:

[Hooking primary students into technology](#)

[High expectations in years 7–8 technology](#)

[Real food, real fast](#)

3. Upcoming video content

Feedback and suggestions

1. What kind of online resources would support you in your teaching?
2. What have you been looking for lately and can't find?
3. Are you or your colleagues doing work we should feature?
4. Would you like to participate in a VLN group for technology?
What kind of group?
5. Would you like to form and participate in virtual cluster groups?

Karakia Whakamutunga

Ka whakairia te tapu
Kia watea ai te ara
Kia tūruki whakataha ai
Kia tūruki whakataha ai
Hui e Tāiki e

*Restrictions are moved aside
So the pathway is clear
To return to everyday activities
Enriched and unified*
