

# Poppy brought a Mystery Item for Technology.

We all had a good look at it.

Mmm we thought what are its.

Physical Attributes and Materials	Functional Attributes
<p>What parts does it have? What are they made of?</p> <p>buttons handle clip wires switch plug strap speaker metal plastic fabric</p>	<p>What does it do?</p> <p>radio for hunting telephone makes animal noises Good for camouflage - special colours and design.</p> <p>speaker, microphone calling for help Walkie talkie.</p>

It is a duck caller.

Well done everyone for thinking of ideas.
