

How Ruth (name)
plans to use the **Key Competencies** for
Tie Dyeing a T Shirt during Technology

Using Language, Symbols and Text

I will to explain to others. To be imaginative and colourful with dye and try different types of dye by planning first. Notes on my planning. Writing brief. ^{drawing symbols, diagram}

Thinking

Being creative and critical about new information. To understand and build knowledge.

Relating to Others

To be open to new learning. To have new ways of thinking and make sure others are included.

Managing Self

I plan to set high standards for myself of what I do. To plan before I do things to be reliable and resilient. To follow others. And to complete the challenge. To be on task.

Participating and Contributing

To involve my self in my group and act appropriately as a member.

How will you involve yourself?

made notations of my design →
