

I felt nervous when I had finished dying my t-shirt because I think I added too much dye. ✓

It was a challenge to move the rubber bands onto my t-shirt because my t-shirt was very long. ✓

It was a good experience making my t-shirt because I learnt a new way to decorate a t-shirt. ✓

It was a challenge to decide what design I wanted on my t-shirt. ✓

I discovered that you need to put dye everywhere on your t-shirt or else you get lots of white spots. ✓

*Excellent Reflections.*
