

Answer a question from each row to help you annotate your design idea

<b>1</b>	<b>Describe the parts of your idea ?</b>	<b>Describe how your design works ?</b>	<b>Describe the materials you have used in your design ?</b>
<b>2</b>	<b>Explain how the parts of your idea enable your idea to work ?</b>	<b>Explain how it is safe for people to use ?</b>	<b>Explain why these materials are suitable for your idea?</b>
<b>3</b>	<b>How could any of these parts be improved ?</b>	<b>How could your idea have less impact on the environment ?</b>	<b>If those materials were not available what other materials could you use ?</b>
